

# For a healthy maine

Allan Amioka, Master Gardener

Make your lawn “green” in more ways than one!

**How?** By learning the six easy steps to **YardScaping!**

The six easy steps will help green up your lawn without the use of fertilizers or pesticides - all for the health of people, pets, and our local waters. Topics include pest control, soil testing, plant and grass seed selection, composting, and many more.

This workshop is sponsored by the York County MS4s and the Maine Board of Pesticide Control’s “YardScaping” program. [www.yardscaping.com](http://www.yardscaping.com)

**Two Sessions offered:**

**Session 1:** Thursday April 10, 2014  
6:30 pm – 7:30 pm  
at Traip Academy in Kittery

**Session 2:** Wednesday May 7, 2014  
6:30 pm – 7:30 pm  
at Counting House Museum

**Sign up** through Marshwood or Kittery Adult Education at <http://marshwood.maineadulted.org> (207) 384-5703 or <http://kittery.maineadulted.org/courses/> (207) 439-5896 search courses for “Yardscaping”

**Cost:** \$10.00

Workshops are offered as part of the York County MS4 Stormwater Public Education Program. Like us on Facebook: York County MS4s or visit [www.thinkblumaine.com](http://www.thinkblumaine.com) for more information.
