

Built and Natural Landscape Impacts Subcommittee
Kittery Climate Adaptation Committee
Approved Minutes
5 PM, May 21, 2019

Kittery Town Hall, Conference Room B

- I. Introductions/Roll Call
Present: Matt Brock, Debbie Driscoll, Ron Ledgett, Judy Spiller, Cameron Wake
- II. Review Charge
- III. Set Priorities
- IV. Navy Yard hazardous waste site – planning to withstand increased storms and flooding and response if cap is breached. Ordinances sufficient to address possible increases in sea level, expansion of wetlands; identify places of flooding vulnerability in Kittery; building seas level rise into Town code; should we be permitting in flood zones; State resources to address these issues: Uniform building code; Maine Geological Survey.
- V. Actions for next meeting: Begin Maine Flood Resilience Checklist; provide update on State legislation and possible changes to Maine uniform building code; review Maine Municipal Association resources, if any, and Southern Maine Planning and Development's coastal resilience program; follow-up with Navy Yard on hazardous waste site planning.
- VI. Next meeting: 2 pm, June 18 in KTH conference rm. B
