

Built and Natural Landscape Impacts Subcommittee  
Kittery Climate Adaptation Committee

Minutes

April 6, 2021 | 4:30 PM

On Zoom

- I. Present: Debbie Driscoll, Kern Fellows, Steve Hall, Nanci Lovett, Allison Maurice, Judy Spiller, Cameron Wake. Kathy Connor, KPD.
  - II. Approve Minutes – no meeting quorum March 2.
  - III. Grant Applications – Kathy reviewed PREPA grant application: primarily mapping with intention to lay groundwork for creating a coastal hazards overlay/resource protection area. Partner with SMPD on GIS. Discussion about a Coastal Communities grant to project marsh migration and health. Lengthy grant application and short lead time so probably will not apply this time around. Discussion about capturing blue carbon and it's growing importance. Need to keep that in mind. 319 grant – watershed management in the works. Reminder about the SMPD NFWF grant, looking at marsh migration. Brief discussion about a possible KCAC- Kittery Land Trust meeting on marsh migration.
  - IV. Status of Proposed Ordinances – Everything waiting for approval of recodification of Title 16, which will reorganize and clarify many aspects of the that title. Stormwater could follow quickly after that. The cluster ordinance is under review by the Land Issues Committee.
  - V. Update - UNH Student Project: report out coming soon.
  - VI. Other – Biennial update. Aim to have list ready by June meeting.
  - VII. Next meeting: 4:30 pm, May 4, 2021
  - VIII. Adjourn: Moved K. Fellows, seconded N. Lovett. 5:21 pm. Unanimous
- Ap[proved: approved 05.04.21
