

Kittery Climate Adaptation Committee Minutes
5:30 PM December 7, 2021
Conference Rm. A, Town Hall and Remote

- I. Present: Debbie Driscoll, Ken Fellows, David Gibson, Ron Ledgett, Lise Lauren, Nanci Lovett, Judy Spiller, Cameron Wake, Lily Watts. Kathy Connors KP&D.
- II. Approved Minutes – 11.03.21. Moved K. Fellows, Seconded R. Ledgett. Unanimous
- III. Updates
Annual Report – Committee comments being incorporated
Kittery Climate Action Plan – Exploring SMPD working with Town; goal – completion by end of 2022. Cover Municipal and School GHG inventories as well as community; need to look closely at public service and transportation. Always the issue of Naval Shipyard impacts.
KCC Display – process.
Seacoast Environmental Film Festival – March 5 – Lise has list, which she will forward.
Traip – Cameron and Susan Johnson (Traip) working on curriculum possibly for spring semester.
Could parallel Climate Plan
- IV. Subcommittee Reports:
Built and Natural Landscape
PREP grant looking at what will tentatively be called, coastal hazard overlay. Develop and then plug in 2023 (?) FEMA mapping: develop 1. inundation maps that model sea level rise and storm surge, 2. write ordinance around inundation maps, and then, 3. add FEMA data.
Energy
SMPD preparing Town GHG inventory; presentation to KCAC 01.04.22
Consider walking path along Spruce Creek, railroad right of way
Expand opportunities for low-income residents to weatherize homes
Promote energy efficiency for low-income families
- V. Other:
Energy corridor/storage site tradeoffs: CMP corridor discussion. Process flawed. Facing many decisions about energy transmission and storage
- VI. Public Comment
- VII. Next Meeting: **January 4, 2022 @5:30 pm**, Kittery Town Hall
- VIII. Adjourned: K. Felloes, seconded by R. Ledgett. Unanimous. 6:32 pm

Approved: 01.04.22
