

Energy and Sustainability Subcommittee
Kittery Climate Adaptation Committee

5 PM, June 19, 2019

Minutes

Kittery Town Hall, Conference Room B

- I. Present: K. DeMarco, J. Duffy, L. Laurin, J. O'Connell, J. Spiller
- II. Approve Minutes – Moved by L. Laurin, Seconded by J. Duffy - unanimous
- III. Updates – Focus next months on assessing vulnerabilities: survey municipal and school greenhouse gas emissions. Goal: develop a baseline to develop more efficient uses of energy, reduce emissions, and cut energy costs. Information need for analysis: for past three years – by building and town operations (police, fire, Public Works, sewer, parks and playing fields, administrative services, community center, library, school administration and school buildings; town bills for electricity, heating oil, gasoline and diesel for vehicles, business travel mileage, employee commute distances. Follow- up step do similar analysis for larger community, water district and see if Navy Yard has done any analysis. Lise will summarize request to Town.
Consider proposal for sustainability fellow for summer 2020 to do outreach and education
- IV. Next meeting: 5 pm, 7/29
- V. Adjourned: 6:05 pm. Moved by J. O'Connell, seconded by K. DeMarco - unanimous
