

Kittery Energy and Sustainability Advisory Committee Minutes January 9, 2019

Members in attendance: Julia O'Connell, Lyn Rosoff, Steve Kosacz, Erin Kempster, John Werner
special guest Town council Chairwoman Judy Spiller

Brief presentation made by Judy Spiller. She would like to attend KESAC meetings as a representative from Town Council. They would like to work with the Energy Committee to address Comprehensive Plan Goals. The Comprehensive Plan was passed by voters in November 2018. She outlined a proposal of how to best achieve that. This will be discussed and approved at a future town council meeting.

Also we're hoping to have some Traip Sustainability group students attend with their handbuilt LED light trifold board.

Report on February LED Swap out month brought to you by KESAC and Traip Sustainability Group

Sponsored by Eldredge Lumber, Inc. They will be donating (900) 60 watt dimmable LED bulbs which will be available at their Ace Hardware store in Kittery beginning Feb 1 – 28, 2019. (good til supplies last) Coupons will be distributed to local town sites: Ace, transfer station, town hall, Rice Library, KCC, public schools, sporting events, Food Pantry. One LED bulb per \$10 purchase with a maximum of 10 per customer. Available to only Kittery residents. Eldredge has agreed to save the paper coupons so that KESAC can track the success of the program. Traip students have been asked to design End Cap 18"x 34" mounted horizontally. Eldredge would like several made and have provided poster paper.

Request made to Kendra, Kittery Town Manager, (listed as head of committee), for printing of coupons. 500 sheets B &W or \$47 to pay Southport Printing to do so. Kendra offers to print 50.
