### MEETING Minutes

Jan Gagner in attendance with interest in joining the Parks Commission

Counselor Chuck Denault shared

- Intent to consolidate all dog rules into one place in town code. Restructure location of all park rules to 6.1. Wants to put before council asap.
- Current Dog Policy might not be written correctly.  
*Ex. A "pooper scooper" rule is in effect for dogs. Owners or keepers must take their dogs' solid waste with them when leaving the park.*  
-This doesn't say "have to hold poop in possession at all times", so it is not against the rule to leave bag and come back for it.
- Wants to make dog law clear and uniform for all parks in Kittery.
- Likes enforcement. Brainstormed adding significant fines, institute towing for parking violations, create illusion of enforcement by having police bikes and vehicles present even if not being used.

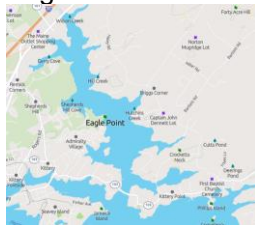

Kendra shared

- FF survey questions.
- PC needs to work with Kendra on rewrite.
- Kendra was having a hard time with these and needs our help.
- Kendra supported call box idea and wants a formal recommendation
