

## FAQ's for Snow Plowing and Removal

January 2011

**Q:** *My road has not been plowed, can I get it plowed now?*

**A:** *The Highway Department follows an assigned route plan which includes your road...please be patient☺*

**Q:** *My sidewalk has not been plowed, when will it get done?*

**A:** *The Highway Department follows an assigned route plan for sidewalk snow plowing and removal that begins the day **after** the storm. Generally it takes 3-4 days after the storm to clear the sidewalks from a single storm.*

**Reminder:** *Depositing driveway snow over a town sidewalk or in the right of way is illegal - Fines start at \$150.00.*

**Q:** *Can you remove the snow piles at the ends of my driveway?*

**A:** *For removal of snow buildup, residents need to contract with a private snow removal company.*

*One resource is [www.servicemagic.com](http://www.servicemagic.com), input your topic, snow, and your zip code and a few other short questions, and a provider will call you.*

*[www.magicyellow.com](http://www.magicyellow.com), input the topic, snow removal, and your zip code and a list of contractors will be created.*

**Reminder:** *It is not only illegal, but can be a serious traffic hazard to shovel or plow snow into or across the roadway.*

**Fines start at \$150.00.** *If you have a private contractor plowing your driveway please make sure to remind them of this as you will be held responsible for their actions*
