

Built and Natural Landscape Impacts Subcommittee
Kittery Climate Adaptation Committee
Minutes
4:30 PM, November 12, 2019

Kittery Town Hall, Conference Room A

- I. Present: D. Driscoll; K. Fellows; S. Hall; R. Ledgett; N. Lovett; J. O'Connell; J. Spiller; . C. Wake
- II. Approve Minutes- Moved N. Lovett; second R. Ledgett; unanimous
- III. Examples of resilience – community awareness increasing; key Town decision makers and town manager receptive to issues. Examples of vulnerabilities - people concerned but don't see direct effects on them; wetlands still get filled in as part of development; exposure to ocean; limited understanding of potential health effects and Town resources to address them and emergencies conditions; Navy Yard
- IV. Status of Maine Flood Resilience Checklist
Options if we don't receive funding: develop maps ourselves; perhaps seek other source of funding for a facilitator
- V. Other - elevation of KLT properties: Ken will see if data available; Maine natural resources viewer may be of value
- VI. Next meeting – Dec. 3, 4:30 pm
- VII. Adjourn- Moved D. Driscoll; second R. Ledgett; unanimous 5:30 pm
