

Kittery Climate Adaptation Committee  
Minutes  
5:30 PM, October 6, 2020  
On Zoom

- I. Present: Ken Fellows, Steve Hall, Lise Laurin, Ron Ledgett, Seconded Nanci Lovett; Judy Spiller, Cameron Wake; Kathy Connor, KPDD
- II. Approve Minutes: Moved Ron Ledgett, Seconded Nanci Lovett; unanimous
- III. Subcommittee Updates

**Built and Natural Landscape** - 100 year rather than 25 year stormwater; evaluated and prioritized Flood Resilience report recommendations; plan to present to Town Manager, Planning and Development, and Planning Board for incorporation in Title 16 Land Use

Will discuss revisions to Town code to accommodate solar at next meeting

**Energy and Sustainability** - GG inventory for municipal operations almost completed and will be uploaded into ICLEI (Kittery now a member) Clearpath software, allowing cross comparisons with surrounding communities; subcommittee will start meeting again with addition of several new committee members
- IV. Annual Report to Council – October 16

Accomplishments

Town-wide and Traip surveys – now posted on Committee webpage

UNH Capstone students and summer Sustainability Fellow

Flood checklist with key Town staff

Flood hazard identification and incorporation in Town GIS

SMPD sustainability and resilience coordinator

Bid – EV for code enforcement

Grant application CMP – Town Hall charging station

GHG inventory for Municipal and School buildings – late October

Town joined ICLEI and purchased Clearpath software

Recommendations

Continued Town vehicle replacement with EVs

Town switch to renewables

Support regional transportation initiatives

Ordinance review to incorporate flood hazards

Ordinance review to make code solar friendly
