

## Kittery Climate Adaptation Committee

### Minutes

5:30 PM June 7, 2022

Conf. Rm. A and Remote

- I. Present: Debbie Driscoll, Erin Kempster, Lise Laurin, Ron Ledgett, Nanci Lovett, John McCollett, Judy Spiller, Cameron Wake
- II. Approved Minutes – 05.03.22: Moved R. Ledgett, seconded D. Driscoll
- III. KCAN Activities inc. Solarize Kittery: May 17 and June 2 – successful events and videos are on their website.
- IV. Updates
- V. Cooling/Warming Shelters – Town Manager will meet with us at the July 11 meeting to discuss logistics  
Coastal Hazard Overlay – will continue to pursue, understanding that until a planner is hired Kathy's time is very limited.  
Kittery Climate Action Plan – (Biddeford, Kennebunk, Kennebunkport, and Kittery) – Committee will focus on this effort and put subcommittees on hold except pursuing coastal hazard overlay. Consultant will be hired soon with a formal kick-off in August. We will serve as the climate action committee. Rather than have representatives from other Town committees, we will ask each to provide substantive input pertinent to their areas. Need to develop strategies to include those not typically part of the process.  
Traip course – Beaches conference presentation – June 10. Will likely continue next year with development of a Traip climate action plan.  
Visioning
- VI. Subcommittee Reports:  
Built and Natural Landscape  
Energy and Sustainability
- VII. Other: Judy will be at the June 18 Block party in the morning and will set up polls on June 14<sup>th</sup>. Erin will handle Farmers Market on July 31 and Sept. 25.
- VIII. Public Comment: several people were watching remotely, but we were unable to determine if they wished to comment.
- IX. Next Meeting: Changed meeting to **July 11, 2022 @5:30 pm**
- X. Adjourn: Moved by L. Laurin, seconded by R. Ledgett. Unanimous. 6:30 pm.

Minutes approved: 07.11.22
