Conservation Commission

200 Rogers Road, Kittery, Maine 03904

MINUTES FOR SEPTEMBER 15, 2022

PRESENT: Don Moore, Clayton Smith, Ed Thompson, Earldean Wells

ABSENT/EXCUSED: Lois Marshall, Cassie Bliss, Nanci Lovett

CORRESPONDENCE: None

MINUTES: Not available

OLD BUSINESS.

Town Farm Forest – Jessa Kellogg to check on status of Knotweed Mowing and get back to us.

Rogers Park: frost heaved culver resettlement- Jessa Kellogg to get back to us.

Kendra Advisory Com. (KLIC) – No update.

Adopt-A-Road; Nanci & Jerry to meet to discuss sign updating – No update.

Legions Pond & Parson's Pond: No update.

Save Kittery Waters – No update.

Climate Adaptation Committee; No update.

Environmental sign/Pepperell Cove; No Update.

NEW BUSINESS.

Planning Board Mtg: Sept. 8, 2022, site walks: 9/15, 10:00 Hoyts Lane: 9/15, 11:00 Goodwin Rd;
9/20, 10:00 41 Rte. 236.

Site walk: Hoyts Lane- appears to have already used 300 sq. ft. of the onetime only structure enlargement allowed in Title 16 for expansion of Nonconforming structures in resource protection.

Goodwin Rd. – Appears to be in sync with Title 16.

New Town Planner, Jordan Kelley starts Monday 9/19/22.

Board of appeals – No update.

FB Environmental – Invasive species – Jessa, 10/6 will speak to us during Public Time re. fall removal/control of invasive species project in Fort Foster – needs volunteers for this phase.

Steve Hall Plaque has arrived will be installed likely before next meeting.

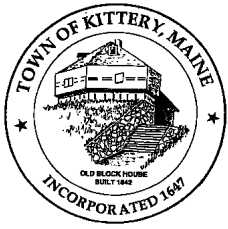

Dog Bag Dispensers – no update.

Table 16.5.28 Minimum setbacks from Wetlands & Water Bodies: Earldean & Kathy Connors have discussed this table not in sync with State Statutes. Also need to review Forestry section; language for exact delineation of wetlands before/after permitted fill; proper ID of all soils (where from/what is in it) to be used in fill areas.

Internat'L Coastal Cleanup – Sat. 10/15/22, 9:00 – 11:00 Sea point and Crescent Beaches.

Respectfully Submitted,

Earldean Wells, Chair
