MUNICIPAL BUILDING - CONFERENCE ROOM A
January 19, 2023
HYBRID ZOOM MEETING

- 5:30 I. CALL TO ORDER
Attendees: Cassie Bliss; Don Moore; Lois Marshall; Nanci Lovett Clayton Smith- Vice Chair
- II. PUBLIC TIME (ten minutes) – Earledean Wells/ attended to turn over documents and discuss her transition from Kittery Conservation Commission to Planning Board.
- III. CORRESPONDENCE AND COMMUNICATION (in brief) -
- IV. REVIEW MINUTES - Jan 5, 2023 – approved and sent to Kittery town office for posting on the web site.
- V. BUSINESS:
41 Route 236 – culvert crossing bumped from 36 to 48; wetland restoration- composite of fill- where going and is it toxic; species; looking for results and research.
Erosion flow and guard rail not supported- looking for CMA to look at the situation. Has DEP reviewed as this is a safety issue?
- Meeting Involved with discussion of how the Conservation Commission will move forward in 2023. What changes, ideas, and thoughts we all think would be best suited to serving Kittery. Each of us will review the State web site for Conservation Commission. List interests and how to spread workflow.
- “Wilding Our Places” – Lois to attend January 28, 2023, 3-5 friends and neighbors coming together to share insight, resources and tips on how to cultivate a healthy backyard for humans and their critters.
- February 2nd Kittery Conservation Meeting – Nanci to discuss community group outreach of strategies for climate action plan involving several categories: Building and Energy; Transportation and Land Use; Natural Systems; Health, Safety and Well Being; and Leadership and Capacity.
- VI. ADJOURN - 7:05pm Moved by Don Moore, 2nd by Cassie Bliss
