

Hi Max,

I just wanted to send a quick note in support of Winter Holben's proposal of the Dineen building. Not only is Winter Holben a creative architect and design company, but they are a community minded Kittery family. We have enjoyed our time being building roommates with them in the Wallingford Square building and look forward to seeing what amazing art they bring to the Dineen space.

Kind regards,

Deb McCluskey

Hello Maxim,

This is Chris & Mariah Erikson from 6 Cove Landing in Kittery, Maine. We also own the Aland Realty Group with an office in the Foreside. We wanted to write to you in full support of the proposed project located at 3 Walker. It is a wonderful design that will bring additional life to the heart of the Foreside! We sincerely hope that the board moves to approve the project.

Thanks again,
