Town Manager's Report to the Town Council

April 27, 2020

1. **COVID-19 Update** – Please see attached.
2. **Rice Library Building Project** – The Rice Library Building Committee met (remotely) two weeks ago to receive an update on the project and the design development cost estimate. Due to the COVID-19 emergency, we are pushing out the proposed ground breaking date to spring of 2021.

The delay in ground breaking is the result of multiple factors. The original schedule would have the Town conducting its bond rating in April and May, and issuing the bond in June. Given the current financial uncertainty, it is not advantageous to seek a rating or issue notes at this time. Additionally, it is unclear what the construction market will look like this summer, creating greater challenges for bidding trades.

The project was in the process of obtaining Planning Board approval when the public health emergency occurred. A public project like this deserves an active public hearing process which is more challenging to accomplish while social distancing limitations are in place.

Finally, the design development cost estimate came in 20% over budget or approximately \$1.26M. The delay in schedule is affording us the time needed to refine the cost estimate, the design, and engage in a thorough value engineering effort. We are focused on retaining the interior program and the exterior architectural intent of the design.

3. **Absentee Ballots and the July Election** – The State and Town will be balloting on July 14 rather than June 9 of this year. We understand voters are nervous about their safety and are encouraging them to register to vote via mail and to vote absentee.

Applications for absentee ballots are available now. Requesting an absentee ballot can be done via our website. Voters can also call the office or send an email to the Town Clerk for assistance. Voters will receive their absentee ballot by mail and can return it by mail, avoiding the need to vote in person.

Residents can also register to vote via mail. Those needing to register to vote should contact the Town Clerk's Office.

Whether it will be safe for voters and election workers to congregate at polling locations in July is still unclear. We are beginning to plan for how to implement an election with social distancing and limited contact. Voters planning to come to the polls should expect lines and longer than normal wait times.

Upcoming Dates:

- State Primary Election and Town Meeting Ballot – July 14

Respectfully Submitted,

REPORT TO TOWN COUNCIL

Meeting Date: April 27, 2020
From: Kendra Amaral, Town Manager
Subject: COVID-19 Emergency Update

This information is provided as an update to the Council on the Town's emergency response efforts and the impacts of the emergency situation. The information in this report is based on what is known today. As the situation changes, so too will the operations and projections provided.

I would like to thank the Town Council for the support and leadership they are showing as we manage the safety of the community amid the COVID-19 crisis. These are difficult times and require difficult decisions to keep our town safe.

A great deal of thanks goes out to the staff who are weathering through and doing all they can to provide essential services and respond to customers' needs. This includes our Police, Fire, Public Works who are still interacting directly with the public, and all of the staff in our other departments who are creatively devising solutions to provide service while social distancing.

Additional thanks are due to the volunteers and community members who are prioritizing the needs of others through direct support and general social distancing. Thank you to the 80+ residents and business people who have filled out the Kittery Together form, are donating blood, delivering groceries and meals, and supporting the non-profits in town that help those balancing the secondary challenges of this public health emergency.

Finally, thank you to all who are doing their part to help their friends, family and neighbors get through this. There are so many people serving as ambassadors of hope.

This report covers the following topics:

- Status of Town Operations
- Challenges
- Fiscal Year 2020
- Fiscal Year 2021

STATUS OF TOWN OPERATIONS

Town offices and non-essential services remain closed during the stay-at-home order.

We are working on expanding and improving our online services to assist customers while closed to direct customer service. This includes improving our online tax and sewer bill payments, and working on expanding online, mail and phone applications for Clerk services, Fort Foster passes, and KRRF permits.

CHALLENGES

We raised the issue of limited PPE and the impact on our first responders' safety to the Governor's Office. Though they were unable to honor the request of providing our public safety team with more specific information about positive case locations, the Department of Health and Human Services was able to provide a significant supply of PPE for Police, Fire and EMS. We feel confident the new supplies will keep these vital personnel safe for the time being.

The next challenge we face is preventing a second wave of community transmission when the State starts to ease into normalcy. A unique concern for Southern York County is the easy accessibility to visitors from MA, which is still experiencing a surge in cases. We have completed our second discussion with various seacoast communities in ME and added seacoast communities in NH to the conversation. Our goal is to share and coordinate our reentry plans. We are advocating for our Governors to take a regional approach to lifting social distancing orders.

FISCAL YEAR 2020

We are continuing to conduct weekly updates to our year end projections for FY20.

Our spending freeze is having a positive impact. We are projecting a 1.5% surplus in the operational budget; or approximately \$225,000. Projected revenue loss remains around \$600,000 for the fiscal year.

The Council has approved a warrant article to utilize up to \$1M of the unassigned reserve to bridge the gap in revenue for FY20 and to support the FY21 budget as needed. This will go to the voters in July. It is my hope we will not need all of these funds.

FISCAL YEAR 2021

We are working to limit any municipal cost increases to those required to keep current services going. I plan to present the budget on June 8.

I am also proposing a change in Warrant Article 4 to allow us to access up to \$500,000 in unassigned reserve for grant matches. It is expected that Congress will be working on an infrastructure bill to support states and municipalities. We want to ensure we are positioned to take advantage of those resources if made available and aligned with our operational and capital goals. If approved, the funds will need to be appropriated by Council for grants they deem appropriate for the Town. Similar to the article in support of the FY20 operations and FY21 budget, funds will only be requested and transferred as needed.

At this time, it would be beneficial to receive updated Council guidance on the FY21 budget.

CONCLUSION

The situation is still very fluid. My best guess is the Governor will look to lift some executive orders by mid-to-late May. Our region may lag behind in light of the proximity to Massachusetts and New Hampshire and the challenges that proximity presents to Kittery.

Take care and stay safe!

REPORT TO TOWN COUNCIL

Meeting Date: April 27, 2020
From: Kendra Amaral, Town Manager
Subject: Amend Warrant Article 4 – Grant Match
Councilor Sponsor: Chairperson Judy Spiller

OVERVIEW

The Town is applying for and anticipating applying for multiple grants in FY21. The proposed amendment to Warrant Article 4 will increase the Town's ability to act on grant applications and awards requiring a match component.

PROPOSED AMENDEMENT

Warrant Article 4 allows the Town Council to appropriate up to \$100,000 from the unassigned reserve to meet match requirements for grants to support municipal operations and capital. The proposed amendment increases the possible funds to \$500,000.

The Council would have to approve any appropriation before funds can be used. The funds would only be accessed if needed. Every effort will be made to meet match requirements through in-kind and operating budgets first before utilizing these funds.

STATEMENT OF NEED

Given the COVID-19 crisis and the impact on revenue projections, various grant strategies are being identified to achieve both staffing needs and infrastructure investments which would otherwise be funded by the general fund budget via property taxes.

We anticipate increased economic development and infrastructure grants as a result of potential COVID-19 stimulus packages. The grants typically focus on shovel ready efforts or readily available match commitments. Having greater access to matching funds will make the Town more competitive in the application process.

Our federal legislators have requested lists from communities for possible infrastructure projects. We have also been in conversations with various state agencies about available and potential funding.

Potential infrastructure projects include:

- Rice Library Expansion and Renovation – seek additional federal funding to offset bond
- Emery Field Phase 2 - seek additional federal funding to offset local funding
- Route 1 repaving and intersection replacement – scheduled for CIP FY22
- Sidewalk extension at Shapleigh – identified as “On the Horizon” in the FY21 CIP
- Gorges Road Fire Station Expansion - identified as “On the Horizon” in the FY21 CIP
- Kittery Point communications tower for public safety radio connection - Planned for Public Safety Impact Reserve

- Public Safety IT Upgrade – planned for FY21 Municipal Technology Reserve
- Implement of Sewer SCADA system at various pump stations – planned for phased implementation for Sewer Reserve.

Many of these projects are scheduled to be accomplished through our CIP program or have some grant funds already awarded. Additional infrastructure grants can reduce the amount of municipal funding needed through the Capital Improvement Plan.

Additionally, we are seeking grants to address our growing demand for public safety services.

I have raised the issue of having too lean of a police department to meet the growing needs and demands for service coming from the residents. However, given the economic impacts of the COVID-19 crisis, it is not practical to add funds to the FY21 operating budget to expand the Police Department to meet these needs.

We have also discussed the growing challenge of providing fire protection with a completely call department. The number of fully trained firefighters available during the day, Monday through Friday, are dropping consistently below NFPA safety guidelines. The next logical step is to add full-time firefighters for weekday shifts to ensure safe response to calls for service. Again, given the economic impacts of the COVID-19 crisis, it is not practical to add funds to the FY21 operating budget to meet these needs.

The federal government has two grant programs (COPS and SAFER) to offset the cost of staffing for police and fire operations. These grants support both wages and benefits for entry level police officers and firefighters for a three-year phase in plan.

The Police Chief has applied for two positions through the COPS grant. These positions will add depth to the roster, in turn helping reduce overtime costs and allowing the department to implement focused programs, such as a dedicated traffic officer. The Fire Chief is applying for 4 firefighter positions to staff the Gorges Road station during the day, Monday through Friday.

If awarded, grant Funds will cover wages and benefits of positions as follows:

PER POSITION	YEAR 1	YEAR 2	YEAR 3
Police Officer	72%	60%	41%
Firefighter	75%	75%	35%

If the Town is awarded either grant, the Town Council will need to vote on approving the use of the matching funds.

PROPOSED SOLUTION/RECOMMENDATION

Approve as proposed.

ATTACHMENTS

- Proposed Warrant Article Amendment

Article 4. Shall the town vote to authorize the Town Council to transfer up to \$~~100~~500,000 from unassigned funds (unencumbered surplus) and appropriate and expend up to \$~~100~~500,000 when necessary for the purpose of providing the town's match to federal, state, and non-profit grants?

Town Council Recommends – Vote: Yes _____ No _____

Explanation:

Grant applications are filed by different town departments to assist with the operations and capital purchases. These grants, if successful, often require a local match to be raised. Legislation is being considered to make additional grants available for infrastructure, economic development, and other projects to offset the impacts of COVID-19. The purpose of this article is to provide funds from the town's unassigned funds (unencumbered surplus) when and if necessary, for the purpose of meeting grant match requirements. The unassigned fund balance (unencumbered surplus) is currently \$6,313,900.

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms.

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located.

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application.

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant.

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises;

D-1. Failure to obtain, or comply with the provisions of, a permit for music, dancing or entertainment required by a municipality or, in the case of an unincorporated place, the county commissioners;

E. A violation of any provision of this Title;

F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601; and

G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages.

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. Repealed

B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause.

4. Repealed

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.

An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms.

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located.

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application.

D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant.

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

G. After September 1, 2010, server training, in a program certified by the bureau and required by local ordinance, has not been completed by individuals who serve alcoholic beverages.

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. Repealed

4. Repealed

5. Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau.

An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant's license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.
