**Re: March 10, 2022 Planning Board Hearing**

Dear Planning Board Members,

Please be advised that Sweet Dirt objects to consideration of applications for marijuana retail business licenses while there is an ongoing criminal investigation into the Town of Kittery's license invitation lottery process. All of the relevant records are on file with the Town of Kittery and are available to the public under the Freedom of Access Act.

Thank you for your attention to this matter. We appreciate the Planning Board's time in hearing our public comment.

Sincerely,  
Sweet Dirt
