Mrs. Kendra Amaral
Kittery Town Manager

Dear Kendra,

After much soul searching, it is with regret I am tendering my resignation as a Town Councilor effective upon receipt. The motivation for resignation is my personal health issues that I along with my family believe should be my priority.

I have enjoyed my time as a Town Councilor being part of many policies that have benefited the citizens of Kittery. I am especially honored to have been able to have been a member of the Town Council when the senior circuit breaker program passed and the Town Council's support of the restoration of the Wood Island Life Saving Station that has become the envy of the entire coast of Maine.

I would like to think during the many years of service to the citizens of Kittery, I have helped many of them in some positive way.

I have enjoyed working with my fellow Town Councilors often marveling at their experience, knowledge, and talent. I know they are well positioned to continue to lead Kittery forward.

I am extremely pleased to see the future of Kittery is in good hands with Councilor Cyrus Clark. He is certainly a leader for his generation.

Thank you, citizens of Kittery, for allowing me to represent you for all these years.

Sincerely,

Kenneth F. Lemont
