APPLICATION FOR APPOINTMENT TO BICYCLE AND PEDESTRIAN MASTER PLAN STEERING COMMITTEE

As part of our commitment to improving conditions for cyclists and pedestrians within Kittery, we are forming a Steering Committee for the development of Kittery's Bicycle and Pedestrian Master Plan. This plan will become the blueprint for targeted investments aimed at making our roads more hospitable for bicyclists and pedestrians. Local knowledge and input, when linked with our consultant-led team of bicycle and pedestrian planners, is an integral part of the process.

The Steering Committee is expected to have a time commitment of 10-15 hours between the first week of May and the end of November. Steering Committee members will participate at a project kickoff meeting (week of May 3) and approximately three additional meetings that will cover identifying existing conditions, discussing conceptual improvements, and gathering feedback on the draft final report. Steering Committee members are called upon to provide the project team with local knowledge and data, and support project outreach.

Title 30-A: MUNICIPALITIES AND COUNTIES

§2605. Conflicts of interest

1. Voting. The vote of a body is voidable when any official in an official position votes on any question in which that official has a direct or an indirect pecuniary interest.

4. Direct or indirect pecuniary interest. In the absence of actual fraud, an official of a body of the municipality, county government or a quasi-municipal corporation involved in a question or in the negotiation or award of a contract is deemed to have a direct or indirect pecuniary interest in a question or in a contract where the official is an officer, director, partner, associate, employee or stockholder of a private corporation, business or other economic entity to which the question relates or with which the unit of municipal, county government or the quasi-municipal corporation contracts only where the official is directly or indirectly the owner of at least 10% of the stock of the private corporation or owns at least a 10% interest in the business or other economic entity.

When an official is deemed to have a direct or indirect pecuniary interest, the vote on the question or the contract is not voidable and actionable if the official makes full disclosure of interest before any action is taken and if the official abstains from voting, from the negotiation or award of the contract and from otherwise attempting to influence a decision in which that official has an interest. The official's disclosure and a notice of abstention from taking part in a decision in which the official has an interest shall be recorded with the clerk or secretary of the municipal or county government or the quasi-municipal corporation.

A. This subsection does not prohibit a member of a city or town council or a member of a quasi-municipal corporation who is a teacher from making or renewing a teacher employment contract with the municipality or quasi-municipal corporation for which the member serves.

6. Avoidance of appearance of conflict of interest. Every municipal and county official shall attempt to avoid the appearance of a conflict of interest by disclosure or by abstention.
