RE: Press Release – COVID-19 Update – Executive Order from Governor Mills

Governor Janet Mills has issued a “Stay Healthy at Home” Executive Order mandating the following, effective April 2, 2020 at 12:01 AM through April 30, 2020:

- **People living in Maine are required to stay at home at all times unless for an essential job, or an essential personal reason, such as obtaining food, medicine, health care or other necessary purpose.**

The Governor also mandated a series of other new restrictions, and extended the closure of restaurants and bars statewide for dine-in customers until at least April 30, 2020 to align with today's Executive Order.

For more information on the Executive Order, including definitions of essential jobs and activities, please visit the Governor's website, by [clicking here](#).
