**NOTICE OF EXPIRATION
EMERGENCY PROCLAMATION
PANDEMIC COVID-19**

WHEREAS, COVID-19, also known as coronavirus is a highly infectious virus that poses an imminent disaster to the residents, workers, and visitors to Kittery; and

WHEREAS, the Governor of Maine declared a state of civil emergency for Maine on March 15, 2020; and

WHEREAS, the Governor of Maine has established comprehensive orders, regulations, and guidelines for the protection of public health throughout Maine; and

WHEREAS, the Governor of Maine is amending the orders, regulations, and guidelines to reflect the Center for Disease Control guidance and data regarding COVID-19 infections, hospitalizations, and vaccination rates; and

WHEREAS, Kittery residents and visitors have bravely and diligently worked to protect themselves and each other by wearing face coverings in public, maintaining safe distancing, limiting their potential exposure, and seeking vaccination for COVID-19; and

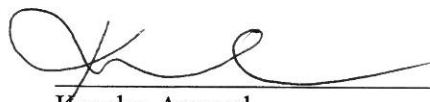

WHEREAS, additional temporary regulations at the local level are no longer necessary;

NOW, THEREFORE, pursuant to Title 8.3 Emergency Management Agency, of the Kittery Town Code, I, Kendra Amaral, the duly appointed Town Manager, hereby declare the local emergency to be expired.

The expiration of this local emergency does not, in any way, exempt the Town from the State of Maine's Declaration of Civil Emergency. The Town of Kittery will continue to adhere to all provisions of the State of Maine's COVID-19 response, the Governor of Maine's Executive Orders, regulations, and guidelines.

The local state of emergency will expire effective April 1, 2021 at 12:00AM.

Signed this 31 day of March 2021
