INSTRUCTIONS

If you are at least 65 years old and have owned a homestead in Maine for at least ten years, you may qualify to have your property tax stabilized at the amount of your bill in the year you applied for the program. If your application for stabilization is approved, this will first affect the property taxes you owe for the property tax year following the year of submitting this application. This stabilization will continue, even if you move to a new homestead, including in a different municipality in Maine, so long as you file a timely application with the municipality each year and you continue to meet the eligibility requirements. The municipality may request additional documentation to prove your eligibility for the stabilization program.

NOTE: If you have been previously approved to participate in the program and are looking to continue your stabilization, please complete the Renewal Application for Property Tax Stabilization. That application is available on the Maine Revenue Services website at www.maine.gov/revenue/tax-return-forms/property-tax.

SECTION 1. Enter your full name(s) as shown on your property tax bill, the physical location of your homestead, your telephone number, email address, and mailing address (if different than the physical location). If you are a cooperative housing corporation shareholder, please enter both the name of the cooperative housing corporation and your name as the shareholder.

SECTION 2. Check the appropriate box related to each question. You must check all boxes to qualify for the Property Tax Stabilization program. If your homestead has changed during the 10-year period, enter the full address (street number, street name, municipality) of any prior homestead(s) and the years in which it served as your homestead. The 10-year period does not have to be consecutive. You may be required to provide additional evidence to document your ownership. **If you did not check all boxes in this section, you do not qualify for the Property Tax Stabilization program.**

SECTION 3. You must verify that you are a permanent resident of Maine. Evidence that you currently receive a homestead exemption for the property listed on section 1b is sufficient proof of permanent residency. If you do not currently receive a homestead exemption for this property, you must attach proof of your Maine residency. Proof of Maine residency includes, but is not limited to, Maine resident income tax return (Form 1040ME), your Maine driver's license/state ID, your Maine resident hunting/fishing license, your motor vehicle registration, or your voter registration.

The application must be signed. Completed applications must be filed by December 1 with the municipality in which your homestead is located. If your property is located in the Unorganized Territory, the form should instead be filed with Maine Revenue Services.

DEFINITIONS

Homestead. "Homestead" means residential real property owned by an individual or individuals and occupied by those individuals as their permanent residence. Residential real property held in a revocable living trust for a beneficiary who occupies the property as his or her permanent residence also qualifies as a homestead. A resident homeowner who is subject to foreclosure and subsequently purchases the home back from the municipality is considered to have no interruption in homeownership for purposes of this exemption.

Permanent residence. "Permanent residence" means that place where an individual has a true, fixed, and permanent home and principal establishment to which the individual, whenever absent, has the intention of returning. An individual may have only one permanent residence at a time and, once a permanent residence is established, that residence is presumed to continue until circumstances indicate otherwise.

Permanent resident. "Permanent resident" means an individual who has established a permanent residence.
